Dear New Member,

Please take a minute to read our rules and regulations. You will not find anything unusual in our rules, only Health Department requirements and common sense pool and tennis policies. We operate a clean, well maintained and organized facility. If you have been a member of another club that required you to volunteer for work, forget that system, you won't be working at Woodlin. The only volunteering at Woodlin Club is related to the Swim Team. Parents of swim team members are required to work at team activities (meets, parties, etc.). We are a business and expect no labor from members for general club operation. We do expect all members to act responsibly, pick up their trash and belongings before leaving and to be considerate of other members. We always listen to suggestions made by our members. Our success is due to using these suggestions and daily experiences to make business and operational decisions that are in the best interest of the majority of our members. As we are a business with bills to pay and a budget to meet, we cannot have many extra activities, without an associated cost.

We keep our members informed of club activities. There are 2 mailings before the pool opens each season (if any newsletters were published before you joined, there will be a copy enclosed with this letter). The first is registration information, the other will contain the preliminary list of season events along with other items of interest. During the pool season, we use a Family Folder system to convey news regarding Swim Team and Tennis Clinics. General News is posted in conspicuous locations around the club for members to see.

Lost and Found items are placed on a table on the upper pool deck. Please do not put valuable items on the table. Turn in any jewelry, wallets, keys, etc. to Bill or JoAnn at the club office. We have a very good record for returning lost items to their owners.

Please be absolutely clear on our Guest Policy before joining. Woodlin is Not a Day Use Facility. Anyone, who is Not a Registered Member is considered a Guest when coming to the club. This includes any unregistered family members (siblings or spouse). Members may bring as many different guests as they choose, however, the Same Person may come as a guest a Maximum of 4 times each season. It is irrelevant as to the member signing the guest in, for example, if you have brought John Smith 2 times and other members have brought him 2 other times, he will not be allowed entry again in the same season.

Two club picnics are offered each season. The first picnic is on Memorial Day. This is a free picnic to all members. A slightly higher than usual day use fee will apply to all guests. The club provides all the food, coffee and cold drinks. It is the first day of the season that you may register for Swim Team, Lessons or other summer activities. About 600 to 700 people come to this picnic and it is a good day to get reacquainted or to meet new friends. The second picnic is on Labor Day. There is no guest fee for this picnic, but, you (members and guests) bring a food item to share. The club provides hot dogs, hamburgers, coffee and cold drinks. The pool closes at 7:00pm for the season on Labor Day. About 400 to 500 people attend this picnic.

Members may host parties in the pool area. We can provide pizza and drinks or most any type of picnic food you desire. (Or you may bring your own food.) Birthday parties at the pool are reasonably priced, fun for the kids and best of all, there is no mess in your house to clean up when it's over. Please see Bill or JoAnn in advance for scheduling a party.

We also offer a Banquet Facility that seats from 25 to 150 people. Any type of party that you need, receptions, anniversaries, retirements, award dinners, business meetings, etc., we can do. We can provide brunch, lunch, dinner or cocktail parties. Ask for a menu or see one on line.

We hope your family enjoys the Woodlin Club this season and many years to come.

IF YOU HAVE ANY QUESTIONS REGARDING MEMBERSHIP OR THE ATTACHED FORMS PLEASE CALL US
